

After the Duck

Taz Tarry

Aka Polka

Taz Tarry

I originally wrote this tune some time ago for a then girl friend called Cerys and called it 'Cerys' Polka' as a slight pun on Kerry Polka. Subsequently, I decided to rename it and the new pun title of AKA Polka came to mind.

The Alston Fiddle

Taz Tarry

The Alston Fiddle was written for a fiddle I found in a second-hand shop in Alston, Cumbria. It said 'buy me' and. after having it restored, it turned out to be quite a good instrument. The tune has been recorded on Bosun Higgs' 'A Most Particular Vintage' CD.
